

Listen to a chapter a day on YouTube.

<https://www.youtube.com/watch?v=x8jwdXXooMs>

Learn a magic trick!

Describe Harry Potter's space under the stairs. Make it as descriptive as you can. Include interesting adjectives and similes.

Draw a picture of your favourite Harry Potter character.

Create an owl collage.

# Harry Potter and the Philosopher's Stone

By J K Rowling

Create an owl sketch.  
[https://www.youtube.com/watch?v=Y\\_SSDAqonBY](https://www.youtube.com/watch?v=Y_SSDAqonBY)

Have a go at Marlon's Magical Maths Mission Multiplication. Choose the right level for you.

<https://mathsframe.co.uk/en/resources/resource/383/Marlons-Magical-Maths-Mission-Multiplication>

Design your own wand.

Think about the magical creatures in the story so far (Trolls, Goblins, three-headed dog). Create your own magical creature with a drawing and a written description.

Go on to WIZARDING WORLD and find out which house you're in!  
<https://www.wizardingworld.com/writing-by-jk-rowling/wizarding-schools>

Retell a chapter using a comic strip format. You'll need to include pictures, speech bubbles and captions/sentences.

Create an 'Owl Post' letter. Imagine you are a character in Harry Potter. Write a letter to another character.

Make a Harry Potter corner bookmark:  
<https://www.keepingitsimplecrafts.com/harry-potter-corner-bookmark-wj/>

Harry Potter and the Philosopher's Stone  
 By J K Rowling

Create a magical wand splatter using watery paint and straws to blow.

Create a house scarf or tie. You can use any materials you like but it will need to be in your house colours.

Create your own spell using rhyming words.

Write your own potion. You'll need a title, list of ingredients and step by step instructions of how to do it.

Draw a magical unicorn by drawing along with Rob online.
