

Maths

We will be working on:

- Place value
- Division
- Fractions
- Times tables
- Measure
- Money
- Area and perimeter

English

We will be writing:

- Cinquan poems
- Story writing
- Persuasive letters
- Diary writing
- Information texts
- Leaflets

DT

We will be designing and creating a wind and waterproof animal shelter.

Geography

In geography, we will be learning about the environmental similarities and differences between countries in South America and Europe. We will also learn how to use an atlas to locate countries throughout the world and to describe the features of those countries.

Art

We will be starting with some oil pastel pictures of rainforest animals. We will be creating masks, headdresses and doing some block printing. We will also look at the work of Romero Britto.

Enter the Amazon

French

In French, we will be consolidating last term's learning and also learning how to talk about food and clothes.

RE

In RE, we will look at how festivals and worship show what matters to Muslims. We will also look at how lessons and family life show what matters to Jewish people.

Music

We will continue to learn to play the recorder. We will be learning to read and play some more notes and use the notes we know to compose our own simple tunes.

PE

This term we will be swimming every Tuesday afternoon at Stratford Park Leisure Centre.
