

TBAT: subtract one-digit number from one-digit number

Draw dots for first number	
Look at second number and cross of that amount of dots	
Count total dots left and write answer	

$$9 - 5 =$$

$$8 - 3 =$$

$$7 - 6 =$$

$$9 - 2 =$$

$$7 - 7 =$$

$$8 - 4 =$$

Check the following answers to see if Mr Moorcroft answered them correctly. Give a tick next to the ones he got right and a cross next to the ones he got wrong.

$$9 - 6 = 4$$

$$6 - 3 = 3$$

$$7 - 5 = 3$$

$$9 - 8 = 1$$

$$8 - 5 = 3$$
