

Pupil Premium Funding

Pupil Premium is allocated to schools from central Government to support children from low-income families who are currently known to be eligible for free school meals and children who have been looked after continuously for more than six months. Schools are free to spend the money as they see fit and are required to publish this information online.

Our school allocation for 2012/13 from central Government = **£5,400**

At Uplands Primary School, it is used to help the most vulnerable children to close the gap with both their emotional and academic needs through targeted support and personalised intervention programmes, and a weekly counselling service.

Positive outcomes are measured by looking at the progress on those identified children and by regular meetings with the class teacher to discuss emotional issues.
