Come and join us for a **full day** of exciting circus skills and create a mini show, which will be performed at 3:30pm on the day of the workshop. We will be learning aerial (silks, static trapeze, hoop and rope - depending on venue), tightrope walking and other balancing, plate spinning, flower sticks, juggling and more! Delicious vegetarian lunch and snacks provided.

Regular and new students welcome.

These sessions are funded by Gloucestershire County Council's 'Crisis & Resilience Fund (CRF)' which offers support for people experiencing sudden financial crises, such as difficulty affording food, fuel, essential household items, or emergency living costs.
